

## Odyssey Financial Technologies rewarded in the 2008 Golden-i Awards

### Luxembourg, May 27 2008 -

Odyssey Financial Technologies is pleased to announce that it has won the Luxembourg 2008 APSI Flagship Award, launched earlier this year by the Association of Information Professionals (APSI). The Golden-i Awards ceremony took place last Thursday, May 22nd. The award is given to the company with the best entrepreneurial concepts and dynamism in Information Technology and Media Communications. The specific theme of this first edition was the company's global model, and its competitive positioning and functioning.

From an initial entry of 30 applications, Odyssey was selected from among 10 finalists and invited to appear before the Awards Panel. Two of its co-founders, Guy Eggermont, Board Secretary, and Didier Vankeerberghen, Vice-President Corporate Sales, were able to present the company in person and communicate the passion and determination that have guided the decisions of the company since its creation 13 years ago. At the end of this process, Odyssey was chosen as the best candidate from a list of renowned companies.

"Luxembourg is a country that gives young businessmen and women a chance by trusting and supporting them throughout the creation of their projects," states **Guy Eggermont**, Board Secretary, Odyssey Financial Technologies. "We are delighted to have won this trophy, which is a

real recognition of the work we've accomplished since the foundation of Odyssey in 1995 and of the company's success."

The Golden-i Awards ceremony, organised by the magazine IT News 2.0, gathered together around 300 VIPs from the Luxembourg banking and IT sector.

### About Odyssey Financial Technologies

Odyssey is an industry leader in the global provision of wealth and asset management solutions and services to the Private Banking, Mass Affluent and Retail Banks as well as Institutional and Fund Managers. More than 200 financial institutions in 30 countries have chosen Odyssey solutions. Odyssey focuses on providing a comprehensive range of components for portfolio management (PMS), advisory process, customer relationship (CRM), compliance, risk, analytics and Enterprise Data Management (EDM). The components are deployed on a single scalable wealth and asset management platform, facilitating the enterprise-wide implementation of solutions and data management. Founded in Luxembourg in 1995, Odyssey today has offices in the key financial centers, including London, New York, Singapore, Zurich, Frankfurt, Brussels, Geneva, Lausanne, Madrid, Toronto and Tokyo. Throughout this knowledgeable network Odyssey employs over 600 professionals. For further information, please visit: <http://www.odyssey-group.com>.
